

RSB can advise on every aspect of enhancing commercial land and property to add value to your investment.

“ RSB has provided us with a professional and comprehensive property renovation and refurbishment support service, for a variety of properties throughout the West Midlands. The quality of services has been of a high standard, and we shall continue to use them across our portfolio.”

Paul Bassi Chairman/Chief Executive REI plc - Bond Wolfe & Bigwood chartered surveyors

BOND WOLFE

We offer a full range of services including architectural design, planning permission consultation, building regulation approval, sourcing land, restoration projects, refurbishment, construction and interior design. Our portfolio ranges from refurbishment of industrial units to professional work environments in listed period buildings sympathetically restored. Project management from start to finish ensures minimum disruption and compliance with agreed budget.
